

World-class Sustainability at SWISS KRONO AG

At the end of their life all SWISS KRONO produced panels can be recycled into particle board production elsewhere, or converted into biomass energy, creating a circular product lifecycle.

WE'RE PASSIONATE ABOUT WOOD

SWISS KRONO – A STRONG BRAND FAMILY

As a Swiss family company, we develop design solutions for sophisticated living spaces made from natural raw materials – in more than 121 countries, with expertise born from years of experience and outstanding interior and exterior results.

BY SWISS KRONO GROUP

PARTNERSHIP

We work together with you to develop first-class solutions that truly suit your needs. We are always at your side, even after the end of a project. Your trust is what drives us.

SWISS MADE

Our products are developed and manufactured using certified wood from sustainable Swiss forestry. This outstanding quality reflects the high demands we place on ourselves every day in order to provide you with the best possible solution.

RESPONSIBILITY

We are dedicated to a high level of resource efficiency and renewable energy. Our strategy: complete usage of material flows, short distances, renewable energy sources and a high level of energy efficiency.

AQUASTOP BENEFITS

Manufacturer tested for water-resistance up to 72 hrs.

NATURAL RESOURCES

CHILD & PET FRIENDLY

WET MOPPABLE

STEAM MOPPABLE

The core panel for Aquastop flooring with low-swelling properties. The new grey colour of the panel is an unmistakable visual cue for the Aquastop feature.
